

Dear Friend:

We are excited to announce our ninth annual fall family festival, re-branded this year as Wild About Nature, on Saturday, November 4, 2017 from 11:00 am to 3:00 pm at Bay Preserve at Osprey. We invite you to be a sponsor of this free festival, a day of nature-based education and fun. We expect more than 1000 attendees.

Do you have fond memories of playing outside as a child, running through the fields, fishing in a creek, climbing a tree or paddling in the bay? Our Wild About Nature Festival helps a new generation of computer-wired kids connect to the outdoors and enjoy a variety of nature-based activities. Families of all generations come to Bay Preserve to make memories and discover nature together, becoming part of our conservation community.

Businesses wishing to show collaborations with conservation-minded organizations or strengthen their brand with unique community activities will find the Wild About Nature Festival a good fit. We offer a range of sponsorship opportunities from our \$5,000 Presenting Sponsorship to the \$250 Family Festival Circle. See the enclosed materials for details. Please contact Andria Piekarz at 941-918-2100 or Andria@conservationfoundation.com for further information.

The Wild About Nature Festival helps another generation grow up with a love and connection to the natural environment that they will carry in their hearts and pass on to their children. With your help, Conservation Foundation will protect land for future generations to come.

On behalf of the Wild About Nature Festival Committee, thank you for your consideration.

Sincerely,

Montana Taplinger
