

Our Philosophy

Here at Bay Preserve in Osprey we focus on creating one-of-a-kind, highly exclusive events on the waterfront.

We only host one wedding a weekend

Maybe you need time to install lights, a tent, or a stage for a band. Perhaps you want to drop off decorations on Friday while you're onsite for the rehearsal. We realize it may take more than a day to set up for your dream wedding and we want your big day to be as stress-free as possible.

We offer help along the way

It's almost a guarantee you will be stressed at some point during the planning process! To assist your planning, our event coordinator can provide a preferred vendor list covering a variety of services and our property manager will be onsite for the duration of your rental period.

We have so many options

The Bay Preserve property is comprised of a Bayfront Lawn and Terrace, Performance Pavilion, Bayside Oaks Ceremony Site, Outdoor Classroom, The Burrows Matson House, Great Lawn, and Boathouse Observation Deck.

We take your safety seriously

We cover all the bases and are always prepared. Our event coordinator will work with your vendors to ensure they have all their own liability insurance and - along with our site manager - an off-duty deputy will be present for the entire event as part of your rental.

We recognize you need time to relax

Sharing private time with your family and friends is so important before the guests start arriving. For your comfort and convenience, there is a bridal room available at the Burrows-Matson House along with a separate groom's cottage on the property.

We add a few, but important little extras

It's the little things that mean so much! Tuscan lights are above our Bayfront Terrace for evening parties and outdoor up-lighting in the trees provides a magical setting. Bathrooms are stocked with amenity baskets and directional signs are posted to make sure your guests are on time and arrive safely. If you're looking for a unique departure after your event, we can help arrange transportation by boat so your guests can send you off in style!
